11 Pros and Cons of Animal Rights - Vittana.org
Trying to understand and take on "animal rights" as a whole can be daunting. Many issues concerning animal rights are fluid and evolutionary, with legislative changes occurring every day at the state and federal level. For example, Grey2KUSA Worldwide announced on May 13, 2016, that Arizona became the 40th state to ban greyhound racing.

The Top 10 Animal Rights Issues - ThoughtCo
The evolution of animal rights will most closely parallel that of children’s rights. The point is to establish a legal principle that recognizes their interests in the legal setting. This does not require “an end to keeping any animal in captivity,” just as rights for children to not require that they be allowed to run free or make decisions regarding their own care.
