The marketing funnel is a tool that helps you visualize the online journey or the path a prospect takes throughout your campaigns, from an introduction (awareness) to a lead (consideration) to a client (conversion) and hopefully beyond (advocacy, loyalty or retention).

Lifecycle Marketing: Dump the Sales Funnel
Modern consumers have an array of choices of how they interact with a brand and where they choose to get information before making a purchase. As a result, customer journeys are no longer linear or sequential; they do not function as a funnel. Brands should recognize customers control their own journey and therefore avoid the temptation to overly-script the buying process.
