Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

"The GVV curriculum promises to be a major step forward in enabling people to deal effectively with the inevitable challenges to their integrity and ethical values - challenges they will face in both their working and personal lives. I am excited by GVV's emphasis on shifting the focus from discussions and debates about what is the 'right' answer to a challenge to one's integrity or one's ...

Language Recycling . An acquired language needs to be repeated in a various number of guises before it can be actively used by the student. Studies have shown that new linguistic functions need to be repeated at least six times before most learners can consider the new piece of language theirs. After six repetitions, the newly-acquired language skills are usually still only passively activated.
