Bahrain. Like many other countries in the region, it's rapidly developing and seeing huge economic growth. It ranks high, according to Lottoland, as a destination for immigrants and among countries with the most favorable tax rates for the rich. As a result, Bahrain makes the list at No. 9.

How Rich Countries Got Rich . . . And Why Poor Countries ...

Book review: 'How rich countries got rich, and why poor countries stay poor', by Erik Reinert. There are two main schools of economic thought, capitalism and marxism, and we all know which one dominates the world today. What is less known is the divisions within capitalism, that there are two main 'canons' of literature.

Why Some Countries Are Poor and Others Rich

In "How Rich Countries Got Rich and Why Poor Countries Stay Poor," Erik Reinert resuscitates and refines the infant-industry argument for developing countries' protecting their industries. Rather than just accept what a poor country is (relatively) good at doing--often mining or subsistence agriculture--the nation should choose among activities ...
