The Intex pool vacuum system is a little different than most other vacuum methods that you would use on the pool floor. The type of system that Intex provides does not hook to the pool pump, but works independently. The system is unique in the way it works and requires no adjustments to the pool pump, but does require water pressure.

The Coleman Swim Vista Pool Series II pool is beautiful! It doesn't look like the plain pop-up pools from the past. It's a great size at 18 feet across and 4 feet deep. The 4 portholes and basket woven cover features make it sleek and nice. The set-up with two people wasn't terrible, however the instruction manual was not helpful.
