PHENOMENA: The Lost and Forgotten Children by Susan Tarr ...
Where PHENOMENA the Lost and Forgotten Children does differ, is in the humour. Because it is such dark subject matter I felt strongly that there had to be some levity in it. You had to have a lot of stuff to break that up because nobody wants to read something that's just desperately miserable.

Book review of Phenomena : The Lost and Forgotten ...
Phenomena: The Lost And Forgotten Children (2014) About book: EASILY the most exciting, hilarious, painful, confronting and gripping journey a novel has ever taken me on.... I'll admit, I'm not a huge "reader", whether it be due to not enough time, or an over-active attention span of a Nat, but in all honesty this book was impossible to put down!
