### **Pugs (Complete Pet Owner's Manual): Maggitti, Phil ...**

The pug is a type of dog with a wrinkly face. It also has a curled tail, and pug puppies are called puglets. The pug has a square, muscular body with a large head, big eyes, and small ears. They have often been described as multum in parvo, which means "much in little", referring to the pug's character and size. Pugs came originally from Taiwan, but they became popular in England, Ireland, and ...

Pompey was the dog of William The Silent, the Prince of Orange. During a campaign against the Spanish, William's dog, Pompey, thwarted an assassination attempt. One night at Hermigny, France, while the prince slept, assassins crept toward his tent. Pompey heard them and began barking and scratching to warn his master, finally jumping on his master's face to alert him to the impending danger.

**Pug Coats.** As mentioned, Pugs can be both single-coated and double-coated. They also come in a few different colors. Pugs can be black, fawn, apricot, and silver fawn. While white Pugs do exist, it's a form of Albinism and not an actual white coat as other breeds have. If you have a breeder trying to sell you a white pug, you may want to question the legitimacy of the dog, unless it's a true ...
