Favorite answer: I believe that people should have sex only in marriage because marriage commits two people to care for each other and for their children (who are too weak to care for themselves). Of course they should have fun in bed; but children result from having sex. Children need their parents and parents need a stable cooperative bond in order to nourish and protect them.

Questions are the Answer - Hal Gregersen

After a read-aloud of question and answer books, students use a Venn diagram to compare the genre with other genres they have read. Students then work with a partner to explore several examples of the genre, identifying common characteristics. Next, students compare a question and answer book to a narrative nonfiction book on the same topic.
