While several different approaches to scenario planning have emerged since then, this article focuses specifically on what we call the Oxford scenario planning approach.² This approach is intended to be collaborative in order to get individuals and groups at all levels and functional backgrounds within an organization to examine an array of ...

Using Scenario Planning to Reshape Strategy

Strategic planning is about developing a plan to implement strategy. It is not about planning strategically. As Mintzberg (1994:5) suggests, 'strategic planning' might well be an oxymoron. The need for organisations to plan and monitor activities in order to focus resources and effort and ensure future survival and growth has spawned an industry of practitioners, consultants and education ...

Our Scenario Approach - Scenario Planning

by Charles Thomas The term "scenario planning" encompasses a surprisingly diverse range of activities. While there are many potential schemes for categorizing these activities, the discussion below presents a fairly comprehensive view of them, and indicates - if imperfectly - the relationships among the various approaches.
