Users can easily upload custom books and complete e-book production online through automatically generating APK eBooks. Rich the e-books service of library can be easy access online with one touch.

The Art of SQL (2008). Peter Robson, Stephane Faroult ...

Stephane Faroult has written perhaps one of the most important books on SQL and Relational Databases since the magisterial work of Dr. E.F. Codd. Faroult uniquely, and effectively, casts the sage teachings of Sun Tzu from "The Art of War" upon the sound theoretical underpinnings of Dr. Codd's "Relational Model for Database Management".
