Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Divided Self: An Existential Study in Sanity and ...

46 The Divided Self. vacuum. Any 'contact' with reality is then in itself experienced as a dreadful threat because reality, as experienced from this position, is necessarily implosive and thus, as was relatedness in engulfment, in itself a threat to what identity the individual is able to suppose himself to have.

The Divided Self Quotes by R.D. Laing - Goodreads

About The Divided Self. Dr. Laing's first purpose is to make madness and the process of going mad comprehensible. In this, with case studies of schizophrenic patients, he succeeds brilliantly, but he does more: through a vision of sanity and madness as 'degrees of conjunction and disjunction between two persons where the one is sane by common consent' he offers a rich existential ...

The existential-phenomenological foundations for a science of persons --The existential-phenomenological foundations for the understanding of psychosis --Ontological security --The embodied and unembodied self --The inner self in the schizoid condition --The false-self system --Self-consciousness --The case of Peter --Psychotic developments --The self and the false self in a schizophrenic --The ghost of the weed garden: a study of a chronic schizophrenic.

The Divided Self: An Existential Study in Sanity and ...

The Divided Self Quotes. Self-consciousness, then, may be the apprehensive awareness of oneself as potentially exposed to danger by the simple fact of being visible to others. The obvious defence against such a danger is to make oneself invisible in one way or another." — R.D. Laing , The Divided Self: An Existential Study in Sanity and Madness.

The Divided Self An Existential

The divided self like the divided mind, is an abstraction and like all things human, requires our compassion to understand. While The Divided Self is not a new book (around since 1959/1960) it remains to this day a ground breaking psychological study.

The divided self; an existential study in sanity and ...

The Divided Self: An Existential Study in Sanity and Madness. New York: Penguin Books, 1990. New York: Penguin Books, 1990. R. D. Laing writes in the preface of this book that his is “a study of schizoid and schizophrenic persons” with the basic goal of making “madness, and the process of going mad, comprehensible” (p. 9).

The Divided Self: An Existential Study in Sanity and ...

In The Divided Self (1960), Laing contrasted the experience of the “ontologically secure” person with that of a person who “cannot take the realness, aliveness, autonomy and identity of himself and others for granted” and who consequently contrives strategies to avoid “losing his self”.

The Divided Self : An Existential Study in Sanity and ...

The divided self: an existential study in sanity and madness. He invents a false self and with it he confronts both the outside world and his own despair. The disintegration of his real self keeps pace with the growing unreality of his false self until, in the extremes of schizophrenic breakdown, the whole personality disintegrates.

The divided self: an existential study in sanity and ...

The Divided Self, R.D. Laing's groundbreaking exploration of the nature of madness, illuminated the nature of mental illness and made the mysteries of the mind comprehensible to a wide audience. First published in 1960, this watershed work aimed to make madness comprehensible, and in doing so revolutionized the way we perceive mental illness.

R. D. Laing - Wikipedia

The Divided Self: An Existential Study in Sanity and Madness. Using case studies of patients he had worked with, psychiatrist R. D. Laing argued that psychosis is not a medical condition but an outcome of the 'divided self', or the tension between the two personas within us: one our authentic, private identity, and the other the false, 'sane' self that we present to the world.
