copy of the Bidder's guide before the auction. The guide contains important information you need to know, such as how you register to bid and what kind of identification you must provide to register.

## **The Property Auction Guide**

The auction guide price, as the name suggests, is just a

# Get Free The Property Auction Guide

guide. In fact, it's often set low in the catalogue to entice bidders and the property could sell for 10% more than that. As the guide price on a property can be raised before the auction even starts, usually when it's generated a lot of interest, make sure you monitor it closely in the lead-up to the day.

## **Auction - Buyers Guide to Property Auctions**

Unlike estate agents who in the vast majority of cases simply quote an asking price, auctioneers quote a 'guide price' or a 'guide price range'. The key difference here is that whilst an estate agent's client is likely to accept an offer at the asking price and sell the property, in auctions the bidding
