Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

Amazon.com: Customer reviews: Zero to £1 Million: My Stock ...

In the United States—as well as around the world in science and finance—a billion is 1,000 million, which is written as a one followed by nine zeros. This is also called the "short scale." There is also a "long scale," which is used in France and was previously used in the United Kingdom, in which a billion means one million million.
